

Global Classroom at Yodo Junior High School

Osaka City elementary and junior high schools have implemented measures and supported for teaching Japanese language to children with foreign roots and maintaining/strengthening their mother languages since fiscal year 2018.

The picture shows one of the scenes of Yodo junior high school's Global Classroom. Senpai (seniors) of this classroom who go to high school visited to support us.

This is a learning support class after school for students of Yodo junior high school. For further information, please contact your teachers.
